

## FOR OUR NEW GUESTS

### ROADRUNNER NATURISTS CLUB RULES & GUIDELINES

- 1) Always sit on a towel when nude. Your own, not someone else's. Don't move a towel to sit in a chair. This is how we save our chairs.
- 2) We are a nudist club, not a swinger's club. No sexual activity, touching or inappropriate sexual talk is allowed. Staring is rude and inappropriate. Behavior should be what is appropriate in the presence of children, whether children are present or not.
- 3) Drinking is fine, drunkenness is not. No illegal drug use is allowed.
- 4) Absolutely no photos or use of cell phones with cameras. If you must have your cell phone with you, please advise the host or one of our board members for special permission to carry it. Should you need to make or receive a call, please excuse yourself to an area where not other people are nearby.
- 5) Please respect the privacy of others at all times. In the unlikely event you should encounter one of our members or guests somewhere else around town, never assume it is ok to remind them of where you met them. They may be in the presence of someone who does not know they enjoy nude recreation.
- 6) Please don't use the hot tub or swimming pool if you are using excessive lotions, body oils or sunscreen. It clogs the filters and makes the water gummy. If in doubt, ask the host.
- 7) Be friendly and join in. You'll have more fun if you smile, join in conversations and games and introduce yourself to others.
- 8) If you are having a problem with another person at our parties, please make the host or one of our board members aware of it immediately. We will deal with any person behaving inappropriately, but we can't do that if we are not aware of the problem. Never feel that because you are new, you should tolerate something that doesn't feel right to you.
- 9) In the event of any losses or injuries sustained by me or members of my family as a result of attending a Roadrunner's function, I/We agree to hold harmless and wholly non-labile the party hosts, the club and the officers thereof.

*I have read and agree to abide by the rules of the club. I understand that violation of these rules would be reason for me/us to be asked to leave and not be invited back.*
